**Description:**

Universitas Sebelas Maret Surakarta has 10 areas of campus for academic activities. Seven areas of campus are located in Surakarta City as follows : Ketingan Campus, UNS Hospital, Campus II Mesen, Sport and Health Education Department (JPOK FKIP) Campus, Campus IV Elementary School Education Department (PGSD FKIP), Business Development Center (*Pusbangnis=Pusat Pengembangan Bisnis* ) Campus, Campus V JPTK FKIP. Apart from that, UNS also has three areas of campus located in surrounding Surakarta City, which are Campus VI PGSD Kebumen, Jatiyoso Campus, and Jatikuwung Campus. In all 8 areas of campus, teaching activities are mostly conducted indoor. Whereas in Jatikuwung Campus and Jatiyoso Campus, nearly all of activities are conducted in the field as these areas are dedicated for field laboratory and teaching for students from Faculty of Agriculture and Farm Faculty.

Total Land Size of all 10 areas of UNS campus are 80.7 hectares, which includes 15.6. ha of ground floor and 65.2. ha of open space. Area of open space consists of 21.9 ha of forest, 96.8 ha planted vegetation, and 29 ha of water absorption. Future development of UNS will be oriented for vertical development, while optimizing the use of current building mass. Collective uses of some campus facilities among departments and Faculties are encouraged for building and land uses efficiency. Besides that, UNS as the best university in Surakarta also has a role as Surakarta City Lungs, completed by existence of campus forest and campus arboretum.
